Current Situation: Firefighters continue mop-up of the fire interior. Fire suppression repair work is continuing. As residents return please drive with caution as crews continue to work. As the need for fire resources diminishes they will be released and made available. A forecast of higher winds and lower humidity has prompted a Red Flag Warning for the Sacramento Valley as well as the current fire area, with the potential of lasting through 8:00 A.M. Monday. The fire will be turned over to the Nevada, Yuba, Placer unit at 7:00 A.M. Tuesday October 14th 2014.

Evacuations: The following areas remain under an Evacuation Warning:

All areas and roads east of the railroad tracks between Applegate Road and Paoli Lane within the burn area southeast to the American River. All areas and roads from Interstate 80 at Applegate Road south to Hidden Meadow Way, extending east to the American River, south of the burn area.
Proof of residency will be required for entry into the repopulated areas.
